Alberto becomes 1st named storm of season Lawyer

Updated: 06-11-2006 11:01 AM

(Edward A. Ornelas/Express-News)

Hanayagi Japanese Dance Academy member Midori Komatsu talks with fellow member Misa Lida (not pictured) prior to their performance Saturday during the Texas Folklife Festival held at the Institute of Texan Cultures. The festival continues today.

**Folklife Festival bombards senses with music, food**

The skyline was San Antonio, with the Alamodome to one side and the Tower of the Americas to the other, but the ambiance was straight out of Cajun Country. Zydeco bands provided the soundtrack, boudin spiced the air and the Cajun credo "Laissez les bon temps rouler" was painted across the top of a booth serving up food beside the music stage. Asked what the phrase meant, Henry Longoria stepped out from behind the counter and studied it.
